NOXX TR doors and panels in white have ABS lipping in colour white, all other colours have ABS lipping in manhattan. NOXX GL has smoothed edges.

The colours shown are available for KEMMLIT NOXX TR, NOXX NR as well as NOXX GL. Due to typographic reasons the colours shown may slightly differ from the original colour. The different surfaces of the panels and doors will have an influence on the colour effect. Special colours available by arrangement.

KEMMLIT | ten good reasons

1. 100 years of experience and market leadership
2. extensive product range
3. product innovation with top design
4. top quality materials and finishes
5. coordinated solutions
6. individual consulting service by experts
7. quick quotation processing
8. prompt and on-schedule delivery
9. professional installation on site
10. one-stop service
